PRESIDENT’S MESSAGE

Thanks to the generosity of our members, and the hard work of our volunteers, Friends of Madison Library is able to provide financial support to the Madison Library to supplement and enhance equipment, circulation materials, and programs. In 2020, following Covid 19 precautions, FOML provided online Zoom programs from the NH Humanities to Go. We purchased a large orange popup tent for outdoor adult and child activities, including our used book sale. As usual, we supplemented the Library circulation budget and in November gave the library two large, much needed, air purifiers.

Our work would not be possible without the financial support of our members. Please join, or renew your membership in, Friends of Madison Library. Thank you for being a “Friend.”

Fay E. Melendy, President
